WILDWOOD MARINA

Barge 225
• Renovate and improve access and programs
• Pursue funding for additional improvements and activation

Wildwood Park
• Upgrade site furnishings, landscape, and parking
• Consider adding charter and fish cleaning operator
• Reconfigure east lot and reduce paving
• Reduce mowed areas
• Add single unit flush restroom near shelter

Shelter and Picnic Areas
• Improve site circulation; upgrade lighting and site furnishings
• Assess use patterns and consider additional facilities

Euclid Creek
• Continue to work with watershed groups for upstream protection, water quality improvements, and creek bank stabilization
• Add natural surface trail near oxbow
• Convert existing all purpose trail along creek bank to natural surface trail

Cleveland Public Library
• Partner to develop new library and consolidate existing library site into overall park

Euclid Creek Connector, Cleveland Lakefront Bikeway and Lake Erie Coastal Ohio Trail Scenic Byway
• Continue partnerships to improve bicycle and pedestrian connections to and along the lakefront as a regional Cuyahoga Greenways priority
• Link to main portion of Euclid Creek Reservation

Park Expansion
• Develop coordinated vehicular and bicycle/pedestrian circulation plan to create a cohesive park, including a new centralized park entrance from Lakeshore Boulevard
• Prioritize views to Lake Erie from Lakeshore Boulevard and points throughout the park

Lakeshore Boulevard
• Enhance park frontage and views to Lake Erie from Lakeshore Boulevard
• Create a new park entrance and repurpose existing entry drives as all purpose trails
• Work with partners to improve Lakeshore Boulevard streetscape and crossings to improve safety and reflect the route's status as a National Scenic Byway

Euclid Beach
• Consider through-movements to pier and lakefront trail as part of any future features
• Continue to enhance core of Euclid Beach Park with plaza and overlook, placemaking features and site furnishings
• Develop destination play feature with support from the Lindsay family
• Evaluate existing shelter; consider size and location for eventual replacement
