

Mill Stream Run Overall Considerations

- Improve accessibility and update facilities
- Assess existing natural surface trails. Consider adding certain bootleg routes to the sanctioned trail network while removing / decommissioning excess trails.
- Work with partners to improve neighborhood and regional trail connections
- Protect water resources while maintaining access to fishing

Center Street Trailhead

- Add kiosk and signage to improve awareness of park connection
- Work with Berea to enhance link to community, including existing bike lanes on Front Street; consider Cuyahoga Greenways wayfinding and coordinate with recent TLCI
- Consider re-aligning trailhead to align with Center St. pedestrian crossing and work with Berea on enhanced crosswalk

Trail Connections and Resource Protection

- Explore options with Cuyahoga County Fairgrounds and City of Berea to connect Mill Stream to the Lake to Lake Trail
- Work with Berea to assess bridle trail connection from Fairgrounds to Mill Stream Run Reservation
- Work with partners to protect upstream areas of Baldwin Creek and potentially connect to Coe Lake

North Quarry Picnic Area

- Assess existing picnic shelter; consider replacement

Music Mound Picnic Area

City of Berea Coe Lake Park

- Coordinate with City of Berea to provide complimentary programming and education opportunities

Wallace Lake

- Continue to expand programs and activate new facilities
- Upgrade parking lot lighting
- Consider permanent kayak storage structure

New Trail Connection

- Work with interested municipal partners to explore development of new regional trail extending west from South Quarry Lane through utility corridor.
- Consider first phase with Berea connecting to Jason Malone Park.

South Quarry Picnic Area

- Replace restroom. Encourage trailhead parking, including horse trailers, along Valley Parkway

W.J. Green Reserved Shelter

- Maintain as reserve facility

Valley Parkway Ford at Eastland

- Assess cost to replace ford with bridge
- Assess existing trail bridge and consider removal and replacement with a future vehicular/pedestrian bridge

Wintergreen Cabin

- Designate a natural surface trail loop and remove unsanctioned trails
- Add additional parking along existing bay as needed

Fair Road Field

- Improve off road parking
- Add crosswalk to Wintergreen Cabin

Mill Stream Run Reservation: 3,599 Acres

This topographic map illustrates the Mill Stream Run Reservation, a 3,599-acre area. The map features a network of trails: All Purpose Trails (solid purple), Natural Surface Trails (dashed purple), Proposed Trails (dotted purple), Other Paved Trails (solid orange), and Other Proposed Trails (dotted orange). Land protection areas are indicated by yellow hatched patterns. The map also shows existing and proposed roads, including Abbey Rd, Royalton Rd, York Rd, Bennett Rd, Akins Rd, W Edgerton Rd, Drake Rd, Ridge Rd, Cady Rd, and Boston Rd. The East Branch Rocky River is shown flowing through the reservation. Key locations include Archery Range (Brecksville Reservation), Auckerman Park (Brecksville Reservation), Stuhr Woods Picnic Area (Brecksville Reservation), and Timberlane. The map is divided into sections for North Royalton, Cuyahoga County, Medina County, and Hinckley. A scale bar (0 to 2,000 ft) and a north arrow are located in the bottom left corner.
